

Certificate III in Companion Animal Services RUV30304

If you're passionate about animals, you'll be passionate about animal services!

Training is provided for pet care workers who are employed or for those who may be seeking employment in kennels, catteries, pet shops, grooming salons, veterinary practices, animal research facilities and wildlife parks.

Students will gain specific skills in animal care including training in the following: nutrition; care and management of dogs, cats, birds and other species; reception, office administration and grooming.

Job opportunities

Work in kennels, catteries, pet shops, grooming salons, local authorities refuges, veterinary practices, animals research facilities and wildlife parks.
