

Certificate III in Visual Arts and Contemporary Craft CUV30103

This program provides a stimulating and creative environment where you have the opportunity to explore a broad range of art and design activities. The Certificate III in Visual Arts and Contemporary Craft will provide you with the practical skills and knowledge to create two and three dimensional forms in a variety of visual art areas. You will learn to visualise, develop and present ideas and images, to discuss the visual arts analytically and appreciatively and to constructively evaluate your own work and that of others.

Successful completion of this qualification provides you with the opportunity to become a trainee or junior assistant in visual arts and crafts contexts.
